

RevTrak Technology Fees Manual

Firstly, go to <https://irvingisd.revtrak.net/> and click on middle school, then their school.

Select Travis

Once you click on the school, you can find which items are for sale by the campus. For Technology Fees you'll click on that widget.

Once you click on the Technology Fees, you'll be able to put in the price that you need to pay, which is \$25.00. You will also need to click on what the fees are for, other, and include your student's full name and their ID number. Please separate the student's name and ID number with a comma. We need this to be able to track the sale so you are not billed again in the future.

For example: John Smith, 111111.
