### **October 19, 2021 Meeting 1:30 pm Agenda**

Purpose of this board is to advise, assist, support, and advocate for the JESA HST program on matters that will strengthen instruction and expand learning opportunities for students.

We would like to know the following:

1. What do you need?
2. How can you help us achieve what you need?
3. What more would you hope to come from us in the way of skills, certifications, etc.?

Certifications we currently offer are:

Patient Care Technician (PCT)  
Emergency Medical Technician (EMT)  
Registered Dental Assistant (RDA)  
Pharmacy Technician (CPhT)- Last year  
Pursuing- Orthopedic Exercise Specialty Cert

Purpose of the meeting will be to review our goals and our progress towards them for this school year.

This board will make suggestions and we will find ways to implement.

We are looking to make our programs better and to make sure we serve our students and industry.

This is the industry advisory board to help guide and show us what we need to do for you all with our beloved students.
